

Knox Key Switch 3500 Series

for Emergency Override

Gated communities, apartment complexes, parking garages, pedestrian gates and industrial receiving areas are just a few applications of the Knox electric override key switch. It also controls emergency power system shutoff and can be ordered with single or dual key options for fire, EMS and law enforcement access.

Features

- Single or dual key switch
- Fire or law enforcement identification labels
- One position, two position or momentary switch
- Face plate and lock cover ensure weather resistant operation.
